

Titel

Thema:	Creating memorable and engaging English classes through teaching Shakespeare
Veranstaltungsnummer:	2211O1601

Inhalt/Beschreibung

Beschreibung und didaktische Gestaltung:	How do you feel about teaching Shakespeare? This interactive workshop aims to get you feeling excited and inspired! The session will begin with a short talk highlighting Shakespeare's continued relevance today. We will then go on to explore some of the challenges involved in teaching Shakespeare, before going on to look at various teaching resources and approaches to the plays. During the workshop, you will be encouraged to share your own experience and thoughts about teaching Shakespeare. By the end of the workshop, you should have acquired some practical lesson ideas to take away and use in class.
